

10 Tips to help you create a 'Career Reinventors Road Map'

Dare to dream!

Identify personal career elements, reasons for change and desires; if you can't please yourself, no-one else will!

Make it real

Develop a clear career statement - what you want and need

Explore and investigate opportunities

What is out there?

Reality check

Audit your transferable skills; identify gaps

Set Goals

Interim and long term

Plan

Outline your strategy; what needs to be done

Action

Take the necessary steps (enjoy the journey)

Persevere

Deal with setbacks and barriers – they're all part of the process

Maintain Motivation

Be kind to yourself and reward yourself for each step forward

Celebrate!

You have made a successful career transition
